

Class Exercise 1 — Student and Academic Advisor

- A university maintains information about its **students** and their **academic advisors**.
- Each student has a unique **Student ID**, a **Name** consisting of a **First Name** and **Last Name**, an **Address** consisting of **Street**, **City**, **State**, and **ZIP Code**, and one or more **Email addresses**.
- Each academic advisor has a unique **Advisor ID**, an **Advisor Name**, and an **Office Number**.
- Each student is advised by **one academic advisor**. An academic advisor advises at least one student.
